Announcement – Appointment of Jake Byrne

5th October 2020

We are excited to announce the appointment of Vice President, Account Executive Jake Byrne. Jake is based in Miami, Florida and joins Lockton Global Marine with 10 years of industry expertise focused on blue water marine and cruise line risk.

Jake will partner closely with recently appointed Vice President, Account Executive Kyle Lochridge and the collective marine unit to expand our base of clients in south Florida. Kyle will also serve as a dual representative for P.L. Ferrari and Lockton Global Marine.

In his role, he will be responsible for real-time client servicing, risk analysis and advisory, direct market brokerage and claims management.

His primary focus will be the placement and ongoing servicing of Protection & Indemnity, Hull & Machinery and other miscellaneous Blue Water Marine placements.

P.L. Ferrari & Co., established in 1959, is wholly owned by Lockton since the organization's 2016 acquisition. Jake and Kyle's presence in the Texas Series will promote further synergy of our combined resources and expertise in the global marine sector.

Welcome, Jake!
