Announcement – Singapore – Transferring of Freddie Hawke

23rd March 2023

We are pleased to announce that Freddie Hawke will be transferring from the PL Ferrari London office to Lockton Singapore to support the ongoing PLF operations and efforts in Asia.

Similar to Alex, Aki and Julianna, Freddie will still be a part / extension of the PLF family. He will continue reporting to Alex and he will still be specialising in P&I. He will focus on developing and servicing business from the region. There will be a planned transition of his existing accounts and we expect to add to the London team in the near future to take on his current responsibilities.

Freddie leaves for Singapore today in anticipation of his full time employment there on April 3rd 2023.

The Singapore team looks forward to welcoming him there and we wish him all the success in assisting with these important efforts!
